MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report as required under regulation 34 read with Schedule V of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, is as under:

GENERAL OVERVIEW ON INDIA'S HEALTHCARE SERVICE LANDSCAPE

As of 2025, India's healthcare sector has become a major driver of economic growth and employment, projected to reach \$638 billion, with the pharmaceutical industry alone expected to grow to \$120 billion by 2030. The system is managed jointly by the central and state governments, complemented by a rapidly expanding private sector, though challenges like faculty shortages and regional disparities remain. Rising life expectancy, chronic diseases, changing lifestyles, and increasing insurance coverage are driving demand, while medical tourism and international collaborations continue to grow. Technological advancements, particularly AI, are enhancing diagnostics, treatment, and accessibility, contributing significantly to the economy. Government investment has increased to 1.84% of GDP, with a 2025 budget allocation of ₹95,957.87 crore, supporting infrastructure, digital health, and workforce expansion. Overall, the sector is evolving rapidly, creating jobs, improving quality, and moving toward more equitable healthcare access across India.

SEGMENT WISE/COMPANY WISE PERFORMANCE

Dhanvantri Jeevan Rekha Limited, established in 1993 at 1 Saket, Meerut, has evolved into a leading healthcare provider in the region. With a commitment to delivering advanced and high-quality patient care, the hospital has expanded its services to include a wide range of specialties such as Cardiology, Neurology, Orthopedics, Radiology, Gastroenterology, General Surgery, Urology, and General Medicine. The facility is equipped with state-of-the-art medical technology and offers comprehensive services, including 24-hour emergency care, outpatient and inpatient services, and diagnostic facilities. Additionally, Dhanvantri Jeevan Rekha Limited is empaneled under the Ayushman Bharat – PMJAY scheme, providing cashless and paperless treatment to eligible patients across various specialties. The hospital's dedication to excellence has made it a trusted name in healthcare for the people of Meerut and its surrounding areas.

OUTLOOK AND COMPANY OVERVIEW

Healthcare is set to remain a major driver of India's economy, with policies, innovations, and investments shaping the sector and contributing to overall economic growth. The increasing adoption of digital health solutions, telemedicine, and other technological advancements is creating new avenues for growth and improving accessibility. The government aims to raise public health spending to 2.5% of GDP by 2025, supporting the growing demand for tertiary care and specialty hospitals.

Dhanvantri Jeevan Rekha Hospital, one of the first comprehensive multi-specialty setups in Western Uttar Pradesh, offers state-of-the-art diagnostic and therapeutic services under a single roof. Committed to excellence in personalized care, the hospital delivers efficient, patient-centric services in a clean, friendly environment at affordable rates, continually evolving to meet the needs of the community.

OPPORTUNITIES

In India, the private sector is the primary driver of healthcare spending, unlike in many countries where the public sector dominates. The government's plan to raise healthcare expenditure to 2.5% of GDP by 2025 is expected to spur the development of new facilities and the expansion of existing ones, particularly through strengthened partnerships with private providers to improve access in rural and underserved areas. The sector is witnessing rapid adoption of digital health solutions, including electronic health records, mobile health apps, and remote patient monitoring systems. Rising demand for home healthcare services, driven by an aging population and the growing burden of chronic diseases, is projected to grow at a CAGR of 19.2%, reaching \$21.3 billion by 2027. Simultaneously, India's focus on self-reliance in medical device manufacturing is set to expand the market from \$11 billion in FY 2019-20 to \$49.5 billion by 2025, lowering costs and making advanced medical equipment more accessible for hospitals. Within this evolving landscape, Dhanvantri Jeevan Rekha Hospital, one of Western Uttar Pradesh's first comprehensive multi-specialty setups, continues to provide state-of-the-art diagnostic and therapeutic services under one roof, offering patient-centric care in a clean, friendly, and affordable environment while leveraging these industry advancements to enhance service quality and accessibility.

THREATS

Rising Costs: Although out-of-pocket healthcare spending by individuals has decreased from 62.6% in FY 2015 to 47.1% in FY 2020 (Ministry of Health), input costs in healthcare continue to rise. Minimum wage revisions across various manpower categories, escalating real estate prices, and higher import costs for medical equipment and consumables due to fluctuations in the INR/USD exchange rate are key challenges. Increased competition has also raised compensation expectations for skilled professionals.

Human Resources:

Effective human resource management is critical to ensuring a competent and motivated workforce while addressing the needs, aspirations, values, and dignity of employees, along with socio-economic concerns of the community. As of March 31, 2025, the hospital employed 98 staff members, underscoring the importance of workforce planning, retention, and skill development.

Regulatory Interventions: The intrinsic value of healthcare services goes beyond input costs. Any regulatory attempt to cap prices without accounting for the comprehensive cost of delivering high-quality care could compromise service standards and patient outcomes.

RISKS & CONCERNS

Lower Healthcare Spend: India's healthcare expenditure remains low at approximately 3% of GDP, compared to 19% in the United States. This translates to just US\$ 57 per person annually, versus US\$ 11,702 in the US, limiting infrastructure expansion and overall service accessibility.

Increasing Burden of Non-Communicable Diseases: Non-communicable diseases (NCDs), including cardiovascular diseases, cancer, diabetes, and chronic respiratory illnesses, account for around 38 million (68%) of global deaths and approximately 5.9 million (60%) of deaths in India. Rapid urbanization and lifestyle changes have accelerated this epidemiological transition, posing significant health and economic challenges for the country.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The internal control system has been designed to commensurate with the nature of business, size and complexity of operations and is monitored by the management to provide reasonable assurance on the achievement of objectives, effectiveness and efficiency of operations, reliability of financial reporting and compliance with applicable laws and regulations. The Company has institutionalized a robust process and internal control system commensurate with its size and operations. The internal control framework is supplemented with an internal audit program that provides an independent view of the efficacy and effectiveness of the process and control environment and through its observations provides an input to the management to support continuous improvement program. The internal audit program is managed by an Internal Audit function directly reporting to the Audit Committee of the Board.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the period under review, the Operating Income of the company increased to ₹2,265 Lakhs as of March 31, 2025, up from ₹2,046.97 Lakhs in the previous financial year. The company reported a profit this year, despite higher expenditures on repair and maintenance of hospital equipment, renovation of the building, and increased costs of medical consumables. The hospital has also made significant additions to its facilities and amenities. The Board of Directors is pleased to inform shareholders that the company continues to remain debt-free. During the year, the hospital expanded its services by launching a Dialysis unit in the Nephrology Department and establishing a Gastroenterology Department, further strengthening its multi-specialty offerings and commitment to comprehensive patient care.

HUMAN RESOURCES / INDUSTRIAL RELATIONS

We acknowledge the contribution of all our employees in our journey towards touching a large number of lives. We understand the value of diversity in culture, language, religious beliefs, genders and have been a key supporter to nurture the same in the company. Therefore, the group strives to build a conducive work environment which embraces diversity and fosters inclusion.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
DHANVANTRI JEEVAN REKHA LIMITED**

Report on the Audit of the Standalone Financial Statements Opinion

Opinion

We have audited the accompanying standalone financial statements of **DHANVANTRI JEEVAN REKHA LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub- section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of **DHANVANTRI JEEVAN REKHA LIMITED** (the “Company”) as of March 31, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
